B-TEK Scales fabricates custom bench scale solutions

April 29, 2010

Many facilities require accessories incorporated into their scales. Manufacturing requires material to have a consistent flow to keep products moving along the assembly process. B-TEK Scales has the knowledge and experience to help you find the best solution for your manufacturing needs.

The Customer - Large manufacturing facility.

The Challenge - Weigh bundles of product in a check-weighing system. Requested roller top integration and custom color paint.

The Solution - B-TEK fabricated these custom bench scales for the facility. 9 scales in total will be used, all with completely integrated rollers and durable epoxy paint finish.
