

THE BUZZ

B-TEK Scales provides large scales for large food production companies.

July 6, 2010

B-TEK Scales has a large network of knowledgeable and trained dealers that can handle your complete scale solution, from beginning to end. Evergreen sweeteners produces many food products in large quantities, from liquid to solid form. The pit-type truck scale can help determine the entire trucks weight, with all axles of the truck being measured simultaneously.

The Customer - Evergreen sweeteners

The Challenge -Installing a large pit-type truck scale

The Solution - B-TEK Scales creates custom solutions to help weigh your specific needs, and this specific solution was installed by B-TEK Scale's dealer, Georgia Scale.
