*B-TEK Scales works with Brechbuhler Scales to install scales at ConAgra Foods  
September 10, 2010*

*B-TEK Scales offers the state-of-the-art Centurion truck scale in many dimensions. The Morrell, Ohio location of ConAgra Foods processes Orville Redenbacher popcorn products. This installation was replacing a previous pit-type truck scale. Brechbuhler Scales' Mansfield branch was the distributor of this scale.*

**The Customer -** ConAgra Foods, Morrell, Ohio location

**The Challenge -** Replacing a previous scale in a gravel pit location.

**The Solution -** Brechbuhler Scales' Mansfield, Ohio branch led the project. Working directly with ConAgra Foods to design a scale to fit the existing location the turn-key project was completed from start to finish by BSI and was finished as scheduled.
