

## 4 SQUARE FLOOR SCALE

### OVER 95 YEARS OF COMBINED EXPERIENCE MANUFACTURING INDUSTRIAL WEIGHING EQUIPMENT

The B-TEK 4-Square low-profile floor scale offers quality construction and components at an affordable pricepoint.

The 4-Square is built to meet the requirements of light industrial and commercial business applications. B-TEK Scales fabricates the popular 4 Square floor scale in a 4' x 4' size with 3/16" carbon steel tread plate. These rugged scales can be coated with various finishes like triple coat epoxy, coal tar and a hot galvanized dip.
