

## T103P INDICATOR

### OVER 95 YEARS OF COMBINED EXPERIENCE MANUFACTURING INDUSTRIAL WEIGHING EQUIPMENT

The B-TEK T103P indicator is ideal for general weighing and simple counting applications. Ready for use in production, packaging, warehouse, inventory and shipping / receiving areas. It's perfect for bench and floor scale applications. The T103P features an ABS housing along with a large backlit LCD display, raised tactile buttons, built-in rechargeable battery and simple operation. The T103P is the right solution for your weighing applications that require a rugged and versatile indicator with an affordable price point.
