

T103S INDICATOR

OVER 95 YEARS OF COMBINED EXPERIENCE MANUFACTURING INDUSTRIAL WEIGHING EQUIPMENT

The B-TEK T103S indicator is ideal for general weighing and simple counting applications. Ready for use in production, packaging, warehouse, inventory and shipping / receiving areas. It's perfect for bench and floor scale applications.

The ruggedly built T103S features a NEMA 4X / IP66 water resistant stainless steel housing along with a large backlit LCD display, raised tactile buttons and simple operation.

The T103S is the right solution for your weighing applications that require a dependable indicator with an affordable price point.
