

The Bullseye Counting Scale is built for tough industrial environments. The entire platform structure is made of rugged cast aluminum. No weak plastic or stamped metal pieces that can break in high-use applications. The over-sized 16" x 14" platform can handle large parts containers with ease. The Bullseye Counting Scale features a very intuitive single-button basic counting function. New operators can be trained how to use the basic counting function in less than 5-minutes

Features and Specifications

- Capacities
 - 10 x .001lb / 5 x .0005kg
 - 20 x .002lb / 10 x .001kg
 - 50 x .005lb / 25 x .005kg
 - 100 x .01lb / 50 x .005kg
 - 150 x .02lb / 75 x .01kg
- Platform sizes
 - 10lb capacity: 8" x 8"
 - 20–150lb capacities: 16" x 14"
- Integral or remote keypad / display option
- AC powered and battery operated versions
- Cast aluminum for all structural components
- 16 gage, 304 stainless steel platter
- Precision aluminum single point load cell

BULLSEYE COUNTING SCALE

ISO 9001 REGISTERED

The Bullseye's intuitive operating procedure makes training quick and easy. The oversized platform accommodates extra large containers, and the remote scale option is great for inventory management.

Features:

- Fast one-button "Bullseye" counting
- Extra-large 16" x 14" platform
- DB-9 printer connector
- Overload tracking function
- Time & date
- Selectable units: lb, kg, oz, g and custom
- Stored calibration data
- 10 custom serial transmits
- ID program stores up to 360 ID's
- (1) duplex RS-232 or 20mA serial interface
- (1) simplex RS-232 serial interface
- Two user defined set-points
- Eight 5V TTL outputs available
- Up to 999,999 displayed counts
- Over 2,000,000 raw counts
- 5-point overload protection

Options & Accessories

- Remote scale option with rugged amphenol metal connector.
- Internal battery option
- Ticket printer
- Relay option board (10A dry contact)

EXPERIENCE. B-TEK Scales has a proud history that reaches back further than its 1994 inception. With multi-generational trade experience, the B-TEK team brings over 80 years of industry know-how to the table. That long-term knowledge of the weighing industry enables B-TEK Scales to focus on bringing new and innovative solutions to our truck scale customers.

TECHNOLOGY. In 2003, to continually improve the technology B-TEK Scales offers its customers, B-TEK announced a joint venture with the Bilanciai Group of Modena, Italy. Bilanciai Group manufactures more than 2,200 motor truck scales per year, worldwide. Bilanciai Group's advanced manufacturing techniques and scale technologies, in conjunction with B-TEK Scales' outstanding truck scale product lines, yields many advantages that B-TEK's competitors can't offer. The B-TEK and Bilanciai Group joint venture is headquartered in Canton, Ohio USA.

EXTENSIVE PRODUCT LINE. B-TEK Scales offers an extensive line of eight styles of motor truck scales spanning across all industry applications. From agricultural to industrial steel, coal and aggregate applications, B-TEK Scales offers a variety of scale solutions for a wide range of budgets and requirements. B-TEK Scales has the ability to manufacture full electronic digital, analog and electro-mechanical motor truck scales.

CUSTOMIZATION. B-TEK is proud to be known for its ability to manufacture custom scale platforms. From non-standard sizes to retrofitted components, B-TEK's commitment to quality and service will deliver a product that fits seamlessly within our customers' current configurations.
