B-TEK Scales, LLC is well known for the ability to accommodate custom scale requests fast and efficiently.

- Customize your floor scale to fit your needs; start with a B-TEK Scale option like 4 Square, Clydesdale or Workhorse
- B-TEK engineers have the experience to solve your toughest weighing needs
- Determine your scale requirements: size, function and options you want met, B-TEK does the rest
- Simple accessories such as ramps, stops, risers, drain holes, etc. are some of the more common requests

B-TEK Scales, LLC is always available to support your weighing equipment needs. For more information on this or other B-TEK projects, please contact us at 1-800-266-8900.
