

B-TEK Scales and Southwestern Scale in Phoenix, Arizona worked together to create a custom solution for the elephants at The Phoenix Zoo.

B-TEK SCALES AND SOUTHWESTERN SCALES ANSWERS PHOENIX ZOO'S CUSTOM SCALE NEEDS

The 48" x 96" with 20,000 lb. capacity floor scale had to be built with overall height less than 4" and hermetically sealed load cells due to frequent wash downs. B-TEK and Southwestern Scale worked hand in hand to quickly fabricate and install the floor scale as shown in the photos.
